## Biography

Dorit Sasson is an award-winning author and SEO (Search Engine Optimization) branding specialist. She is a sought-after multilingual (English and Hebrew) author and speaker.

Dorit's first memoir, **Accidental Soldier: A Memoir of Service and Sacrifice in the Israel Defense Forces**, is an engrossing account of Dorit's struggles to overcome a legacy of anxiety and self-doubt.

With her upcoming expat memoir **Sand and Steel: A Memoir of Longing and Finding Home** (May 2021), Dorit is available for in-person and virtual author presentations for libraries, community centers, synagogues, women's groups, and book clubs, and podcast speaking engagements. As our homes have now become the center of our lives, this timely memoir will help readers gain a different appreciation of home. This book will help people realize that home (past or present) is everywhere they feel and think it is, no matter how far away they feel from it.

While passionate about her work, Dorit loves spending time with her husband and two children as well as biking, reading, and nature walks. She's dreaming of her next trip abroad - specifically to Israel.

## Praise for Dorit's Work

"Sasson's account (Sand and Steel) is often stirring, and she intelligently discusses the enormous power exerted by the allure of home." - Kirkus Reviews

"Sand and Steel is a window into a world few of us experience firsthand, but at its core is a story that resonates with most of us. What does it mean to belong? When do we truly feel at home? For those who have to some extent navigated the complex politics of American Zionism, it's an especially resonant story, with an honest look at two countries which demand unflinching loyalty from their citizens." - Remy Maisel, author of Is Satire Saving Our Nation? Mockery and American Politics and Jewish-American expat in the UK

"Accidental Soldier follows a young woman's struggle for respect and independence while serving in the Israel Defense Forces. A compelling memoir full of grit, humor, and courage." - Karol Nielsen, author of Black Elephants

(Accidental Soldier is) "a courageous and touching story of the female immigrant experience in the Israel Defense Forces that many readers will sympathize with." - Danny Ayalon, Former Ambassador to the US and Deputy Foreign Minister, State of Israel
